THE COMPLETE TOP-CAST®
DECORATIVE FINISH SYSTEM

- TOP-CAST® SS 100 Site Saver
- TOP-CAST® EX 200 Wash-Off Extender
- TOP-CAST® PR 300 Penetrating Protector
- TOP-CAST® CS 400 Cure and Seal
- TOP-CAST® HG 500 High Gloss Sealer

A BREAKTHROUGH, EASY TO USE
CONCRETE FINISHING SYSTEM
THAT LOWERS APPLICATION COST
FOR HIGHER MARGINS.

The Top-Cast Decorative Finish System is designed to make the Top-Cast application easier while providing various levels of protection and a range of glossy finishes.

When used together with Top-Cast Surface Retarders, the Decorative Finish System provides a complete package for beautifully designed, protected and sealed exposed aggregate surfaces.

TOP-CAST® SS 100 Site Saver
- Protects surfaces from overspray and splatters
- Replaces costly plastic barriers
- Easy removal within 24 hours

TOP-CAST® EX 200 Wash-Off Extender
- Extends Top-Cast removal times
- Provides several hours of extension
- Contributes to a more consistent etch

TOP-CAST® PR 300 Penetrating Protector
- Penetrates, protects, and hardens
- Dustproofs with lasting moisture protection
- Extends life of substrate

TOP-CAST® CS 400 Cure and Seal
- Cures, seals, and dustproofs exposed aggregate
- Semi-gloss finish with stain protection
- UV stable and non-yellowing

TOP-CAST® HG 500 High Gloss Sealer
- Seals and protects with a high gloss finish
- Resists common chemicals, blushing and hazing
- Excellent weatherability and non-yellowing

Concrete Surface Retarders

CHOOSE YOUR FINISH

- Available in 12 different grades that create a range of finishes from micro-etch to fully exposed aggregate.
- Grade selection based on size of aggregate to expose and strength of mix.
- All grades are formulated separately to create distinctly different products.
