

Accessibility Standard for Customer Service

template plan

Becoming accessible means developing a plan on how your organization will provide service to customers with disabilities.

Below, you'll find a sample plan to help guide you. It outlines your accessible customer service policy, including practices and procedures.

Remember the principles of independence, dignity, integration and equal opportunity as you create your plan.

Accessible Customer Service Plan

Providing Goods and Services to People with Disabilities

Dayton Superior Corporation

is committed to excellence in serving all customers including people with disabilities.

Assistive devices

We will ensure that our staff are trained and familiar with various assistive devices we have on site or that we provide that may be used by customers with disabilities while accessing our goods or services.

Communication

We will communicate with people with disabilities in ways that take into account their disability.

Service animals

We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public.

Support persons

A person with a disability who is accompanied by a support person will be allowed to have that person accompany them on our premises.

- Fees will not be charged for support persons

or

- \$_____ will be charged to the support person for admission to

_____ 's premises.

We will notify customers of this by posting a notice in the following location(s): _____

By the Shipping Dock and by the receptionist's desk

Accessible Customer Service Plan continued
