

Zero VOC J49 Cleaner

DESCRIPTION

Zero VOC J49 Cleaner is a concrete stripper that is used for the removal of curing compounds, cure & seal compounds, sealers, oils, grease and rubber tire marks from concrete floors.

FEATURES & BENEFITS

- Clear Concrete Stripper
- Removes Acrylic Cure & Seals and Sealers
- Easy water clean up
- 0 g/L VOC
- Compliant with all Canadian and U.S. VOC regulations for Concrete Form Release agents including Federal EPA, OTC, LADCO, SCAQMD and CARB

PRODUCT DATA

Zero VOC J49 Cleaner is designed for stripping, degreasing and cleaning all types of concrete. It is ideal for horizontal concrete floor applications when it is necessary to remove dirt, tire marks, oil spills, grease and other contaminants. Zero VOC J49 Cleaner will also strip most curing compounds. It is an ideal application for warehouses, industrial plants, plants, automotive plants, parking garages, plazas and service stations.
