DAYTON SUPERIOR WELCOMES NEW MEMBER TO EXECUTIVE TEAM

Dayton, Ohio / August 2020 - Dayton Superior Corporation, the leading North American provider of engineered product solutions for the nonresidential concrete construction market, is pleased to announce Dustin Kruger has joined the company as Vice President, Sales and Marketing. Kruger succeeds long-time Dayton Superior executive Keith Sholos, who will be retiring this fall after 19 years of service to the company. Kruger brings more than 20 years of experience in the construction field, along with a wealth of concrete construction, building products and strategic sales knowledge to the Dayton Superior executive team.

###

ABOUT DAYTON SUPERIOR CORPORATION

Dayton Superior Corporation is the leading provider of accessories, chemicals, forming, and shoring product solutions within the nonresidential concrete construction industry. The company's products are found on many of the world's most prominent civil infrastructure, institutional and commercial construction projects. For more information, visit www.daytonsuperior.com.
