LEARN MORE

- **SAVES TIME** - Connect K-KLIPS to rebar connects in milliseconds
- **CONVENIENT** - ONE tool uses TWO K-KLIP sizes (#4/5 tool does all #4/12mm and the #5/16mm clip series)
- **USER FRIENDLY** - Takes less than 10-minutes to learn
- **SAFE** - Concealed mechanism for reduced pinch points
- **STRONGER CONNECTIONS** - Dramatically reduces wracking & eliminates unwanted motion
- **EFFICIENT** - Offers unhindered movement and ease of use without cords getting in the way

*Beginning 01/22/24, buy a full skid of KODI KLIPS® K-KLIPS™ and receive a free battery-powered KODI KLIP® KLIPPER Gun™ for the size K-KLIPS purchased. Promo limited to a total of five free battery-powered Klipper Guns. The promotional value of the KLIPPER Gun(s) does not include any fees for freight, taxes and/or surcharges that may occur on the order and is the responsibility of the consumer. Customer may mix and match K-KLIP sizes on skid. Quantities are limited & promotion is valid only while supplies last. All orders must be placed by 5:00 p.m. PST on 03/21/24 and is not retroactive for past orders. This promotion is made available in the United States & Canada only, except where prohibited by law. Credit terms apply. No extended delivery.
