

TECHNICAL DATA SHEET

DESCRIPTION

Paragon Hole-in-one covers adjust to fit various size holes, preventing accidents and injuries on the worksite

APPLICATION

Hole-in-one covers create a physical barrier when placed over a hole or opening on the working surface, when installed properly prevent a person from falling/tripping.

FEATURES

- Prevents accidents and injuries
- Safety orange for easy recognition
- Beveled edges to prevent tripping hazards
- Reusable
- Assembly hardware included

BENEFITS

- No sawing, pre-drilling, or bolting into concrete necessary

INSTALLATION

- Tools Required:
 - 2 Large Screwdrivers
- Assembly Parts:
 - Orange Hole-N-One Cover (4 sizes available)
 - Black Wedges (3/cover on round, 3/cover on square)
 - 1/4" x 2 1/2" bolts (3/cover on round, 3/cover on square)
- Installation Steps:
 - Verify all parts are present.
 - Insert black wedges into underside of slots.
 - Insert bolts through slots and wedges; then tighten slightly.
 - Verify diameter of hole and set top of bolts to correspond with correct gauge size.
 - Tighten all except one of the bolts on the corresponding size.
 - Sweep clean the area around the hole and insert the cover into the hole.
 - Insert a screwdriver into the slot against the untightened wedge.
 - Apply pressure on the wedge to secure against the side of the hole.
 - While applying pressure against the wedge, tighten the bolt on that wedge.
 - Your hole cover is now securely in place.
 - Periodically check and tighten the bolts

Notes

- Limited two year warranty.
- Do not use if cover appears damaged.
- Replace wedges and bolts when necessary.

TECHNICAL DATA SHEET

WARRANTY (ACCESSORIES)

Limited Warranty. Dayton warrants, for a period of 60 days from the date of shipment (three years from the date of shipment in the case of formwork, excluding any consumable Products included with such formwork), that Products and any associated application drawings and engineering services provided by Dayton ("Ancillary Services") will be free from defects in material and workmanship and, in the case of custom designed formwork, that the formwork will meet the specifications set forth in the design drawings approved by Dayton and Customer. Any claim under this warranty must be made in writing within such warranty period. If any Product and/or Ancillary Service covered by a timely claim are found to be defective, Dayton will, within a reasonable time, make any necessary repairs or corrections or, at Dayton's option, replace the Product. Unless pre-authorized by Dayton in writing, Dayton will not accept any charges for correcting defects or accept the return of any Product. This warranty will not apply to any Products that have been subjected to misuse, neglect, storage damage, misapplication, accident or any other damage caused by any person other than Dayton, or that have not been maintained in accordance with Dayton's specifications. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AS TO THE PRODUCTS AND ANCILLARY SERVICES. DAYTON MAKES NO OTHER WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. THE REMEDIES SET FORTH IN THIS SECTION ARE CUSTOMER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY.
