Space-Lift™ Metal Setback Cone

Space-Lift System Components

TECHNICAL DATA SHEET

DESCRIPTION

The Metal Setback Cone is placed between the concrete side of the plywood face and the F-56 two strut concrete anchor with the larger diameter of the Cone against the plywood face. The Cone makes the Anchor setback (1") one inch from the concrete face. The purpose of the Metal Setback Cone is to eliminate the possibility of bending being induced in the (1") one inch diameter Anchor bolt which could cause concrete break-out.

WARRANTY (FORMING)

Limited Warranty. Dayton warrants, for a period of 60 days from the date of shipment (three years from the date of shipment in the case of formwork, excluding any consumable Products included with such formwork), that Products and any associated application drawings and engineering services provided by Dayton ("Ancillary Services") will be free from defects in material and workmanship and, in the case of custom designed formwork, that the formwork will meet the specifications set forth in the design drawings approved by Dayton and Customer. Any claim under this warranty must be made in writing within such warranty period. If any Product and/or Ancillary Service covered by a timely claim are found to be defective, Dayton will, within a reasonable time, make any necessary repairs or corrections or, at Dayton's option, replace the Product. Unless pre-authorized by Dayton in writing, Dayton will not accept any charges for correcting defects or accept the return of any Product. This warranty will not apply to any Products that have been subjected to misuse, neglect, storage damage, misapplication, accident or any other damage caused by any person other than Dayton, or that have not been maintained in accordance with Dayton's specifications. THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES AS TO THE PRODUCTS AND ANCILLARY SERVICES. DAYTON MAKES NO OTHER WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE. THE REMEDIES SET FORTH IN THIS SECTION ARE CUSTOMER'S EXCLUSIVE REMEDY FOR BREACH OF WARRANTY.

OWNERSHIP AND USE OF RENTAL PRODUCTS

Dayton shall retain title to rental Products. Customer shall have the option to purchase rental Products if and to the extent set forth in the Contract, subject to those Terms. Customer shall not make any alterations, additions or improvement to, and shall not deface, remove or cover any Dayton markings on, rental Products without Dayton's prior written consent. Upon request, Customer shall advise Dayton as to the exact location of rental Products and agrees not to move rental Products without Dayton's prior written consent. Dayton shall have the right to enter Customer's premises or other location of the rental Products at reasonable times and with the reasonable notice to Customer, to inspect Dayton rental Products. Customer shall keep rental Products free and clear of all liens, levies and encumbrances (other than those of Dayton). Customer irrevocably authorizes Dayton to execute and/or file a financing statement or other notice in any jurisdiction with respect to the lease created by the Contract. Rental Products do not include wood of any kind, except as part of a prefabricated panel or other prefabricated rental assembling and erection of rental Products. Customer shall cause rental Products to be used only by competent operators in a safe an proper manner in compliance with all applicable laws, rules, regulations, and the manufacturer's instructions (including maintenance) and solely for the purposes for which they are intended.
