

## PRODUCT DESCRIPTION

PVC Drip Edge Chamfer is a single piece combining 45 degree 0.75" chamfer and a drip edge. Features a Flexible Edge Seal which reduces seepage of concrete under the product.

## APPLICATION

The Drip Edge Chamfer is used at doors, windows, dock doors and archways, wherever the project requires a drip edge with a chamfer at the panel face.

## FEATURES:

- 100% PVC Reduces Costs—PVC virtually eliminates concrete pitting caused by wood-wicking. It also eliminates discoloration caused by wood sugars. It almost entirely eliminates the need for grinding and patching, saving you man-hours or subcontractor expense.
- Patented “Flexible Edge Seal”—The patented Flexible Edge Seal fits tightly against the casting surface, preventing concrete seepage while creating sharp, crisp lines.
- Hidden Fastening System—With Victory Bear there are no finish blemishes from screw heads or excess glue. All screws and glue remnants are hidden under the surface for a sharp, glass-like finish.

## INSTALLATION

Step 1—Turn the opening form (i.e. window) upside down.

Step 2—Measure the chamfer length to fit the top of the form.

Step 3—Miter the chamfer ends and attach the mitered parts to the wood form using fasteners or adhesives.

## SPECIFICATIONS

- Material: PVC
- Length: 8'-0" each
- Coefficient of linear expansion: 0.0132 inches per degree F
- Color: White or Grey Tone

## PACKAGING

- 12 pieces per box
- Weight: 16.1 lbs. per box

## PRODUCT CODES

128700 Drip Edge Chamfer #741

## HOW TO ORDER

Specify: (1) quantity, (2) Product Code, (3) name.

## STORAGE

Materials should be stored out of direct sunlight to prevent long-term deterioration or color fading. Pieces can be stacked, but should be stored fully supported to keep them from warping.

## WARRANTY

Dayton Superior warrants the product will be free from defects in material and workmanship. The foregoing warranty is in lieu of and excludes all other warranties not expressly set forth herein, whether express or implied by operation of law or otherwise, including but not limited to any implied warranties of merchantability or fitness.

Dayton Superior shall not be liable for incidental or consequential losses, damages or expenses directly or indirectly arising from the sale, handling or use of the product or from any other cause relating thereto. Seller's liability hereunder is expressly limited to replacement, in the form originally shipped, of goods not complying with this agreement or at Dayton Superior's election, a refund equal to the purchase price of the product.

Specifications and other information contained herein supersede all previously printed matter and are subject to change without notice.

## TECHNICAL SERVICES

Dayton Superior's trained sales staff is available for consultation on all aspects of technical and design support, please call 888-977-9600.
